01

The *brand*

A second life for clothes with a first story. Who we are, what we believe, how we speak.

01.1 — OUR STORY

Every piece has *already lived.*

Vintage Wave started with a pile of forgotten jackets and a simple idea: the best clothes are often the ones already made. We hunt, clean, mend, measure and photograph each piece by hand, then send it out on its next wave — to someone who will love it again.

The symbol says it: a sun rising over two waves. The first wave is the life a piece already had. The second is the one it starts with you.

01.2 — MISSION & VALUES

Make second-hand *the first choice.*

01

Curated

Fewer, better pieces. Every item is chosen, not dumped.

02

Honest

Real photos, real flaws, real measurements. No surprises.

03

Circular

Keep clothes in use. Buy back, resell, repair.

04

Warm

Hand-written notes, slow replies done well, a community — not a warehouse.

01.3 — VOICE

Warm, *honest*, a little nostalgic.

We talk like a friend who knows clothes: specific about the piece, open about flaws, never pushy. Short sentences. Real numbers. A touch of story.

PRODUCT DESCRIPTION

Classic 80s trucker in medium stonewash. Soft from years of wear, copper buttons intact. Light fading on the collar — see photo 4. Fits like a modern M/L.

INSTAGRAM CAPTION

Friday 19:00. 48 pieces, one of each. Wool for the first cold mornings, denim that already knows how to fade. Set your alarm.

DM REPLY

Hi Sara! Yes, it’s still available. Pit to pit is 56 cm, length 64 cm. I can hold it for you until tonight — shall I?

SOLD OUT

All gone in 41 minutes. Thank you for giving these pieces a second life. Next drop: Friday, same time.

01.4 — WHO WE DRESS

Three kinds of *treasure hunters.*

The style hunter

18–30 · wants pieces nobody else has · follows drops, shares finds.

The conscious buyer

25–40 · buys less, buys better · cares where clothes come from.

The collector

Any age · knows brands and eras · checks labels, stitching, fabric.

02

The *logo*

A sun over two waves: the life a piece had, and the one it starts with you.

Symbol + wordmark.

The sun	A rising sun or pearl — the find, the treasure.

The artwork is a faithful vector rebuild of the original logo — use only the supplied files.
